

This Privacy Notice explains how personal data (“Data”) of employees, representatives and collaborators of our Dealers (“Data Subjects”) is handled by Controllers of CNH Industrial Group (“we”, “us”, “our”, or the “Company”) in compliance with applicable laws and regulations. We are committed to protecting and respecting Data Subject’s privacy.

1. HOW WE OBTAIN DATA

Data that may be collected, processed and stored are the following:

- a. Identification and Contact Data
- b. Professional Data
- c. Computer Device and Authentication Data

The above list also includes Financial Account Data of Sole Traders in those countries where such data is considered as Personal Data.

Ordinarily, Data will be provided to us by the Data Subject Employer, but in some cases, we may collect Data directly from the Data Subject, from a third party or from public records. We protect Data obtained from such third parties according to the practices described in this privacy notice.

2. HOW WE USE DATA

Data collected may be processed by us for the following purposes:

- i. to fulfil our legitimate interests of allowing the execution of the activities related to agreements between us and our Dealer and of establishing, maintaining and improving our business relationship with our Dealer;
- ii. to fulfil our legitimate interests of allowing the Company to perform surveys on satisfaction related to the quality of goods, services and, in general, on our business relations with our Dealer;
- iii. to fulfil our legitimate interest of managing access to and security of our tools, systems, assets and data.

Data may be processed electronically within IT systems, and manually, in paper form. Data will be processed and stored for its whole lifecycle, ensuring security and confidentiality of the same in compliance with principles of fairness, lawfulness and transparency and in accordance with the provisions of applicable laws and regulations.

3. CONSEQUENCES OF FAILURE TO PROVIDE DATA

Submitting Data is never mandatory. However, not providing Data that is necessary to meet the purposes described in this Privacy Notice may prevent the Dealer for which the Data Subject works to fulfil a contractual agreement with us, or may prevent us from complying with legal obligations. In both cases this may result in termination of the relevant contractual agreement.

4. HOW WE SHARE YOUR DATA

We are part of the CNH Industrial Group, a global leader in the capital goods sector. Data may be shared and communicated to our subsidiaries and affiliates of the CNH Industrial Group, trusted external parties, service providers, authorized dealers and distributors and business partners, based in and outside the European Union, which are under specific contractual obligation and may use it solely for the fulfillment of the purposes listed above.

CNH Industrial Group’s U.S. subsidiaries comply with the EU-U.S. Privacy Shield and Swiss-U.S. Privacy Shield Frameworks as set forth by the U.S. Department of Commerce regarding the collection, use, and

retention of Personal Information from European Union or the European Economic Area and Switzerland to the United States, respectively.

Transfer of Personal Data to CNH Industrial Group's U.S. subsidiaries is subject to Privacy Shield certification and compliance with CNH Industrial Privacy Shield Policy, available here: http://cnhindustrial.com/en-us/governance/policies_and_guidelines/Pages/corporate_policies.aspx

To learn more about the Privacy Shield program, and to view the certification of the CNH Industrial Group's U.S. subsidiaries, please visit www.privacyshield.gov.

Data may be communicated to third parties to comply with legal obligations, to operate and maintain our and the CNH Industrial Group security, to protect our and the CNH Industrial Group rights or property, to respond to order of Public Authorities, or to exercise our rights before judicial authorities.

5. HOW WE TRANSFER DATA

In order to perform Data processing activities as detailed above, we may transfer Data in countries outside of the European Economic Area (EEA), including storing such Data in digital or physical databases managed by entities acting on our behalf. Database management and Data processing are limited to the purposes of the processing and are carried out according to applicable data protection laws and regulations.

In case Data is transferred outside of the EEA, the Company will use any appropriate contractual measures to guarantee adequate protection of the Data, including – among others – agreements based on Standard Data Protection Clauses adopted by the EU Commission applicable to the transfer of personal data outside the EEA.

6. RETAINING DATA

We maintain Data in our systems and archives for as long as necessary to pursue the purposes described in this Privacy Notice taking into account, when applicable, legal and contractual requirements.

When Data is no longer necessary for the purposes for which it is processed, Data is deleted or kept in a form which does not permit the identification of data subjects, provided that we are not legally required or permitted to hold such Data. We may continue to store Data for a longer period, as may be necessary to protect our interests related to potential liability connected to the provision of the services or products or the processing of Data.

7. DATA CONTROLLER

Each CNH Industrial Company to which the Dealer provides goods or services by virtue of a valid contractual agreement acts as Controller when processing Data for the purposes described at points 2(i) and 2(ii) of this Privacy Notice, in relation to such specific agreement.

CNH Industrial Companies are listed in Annex A to this Privacy Notice.

Companies of CNH Industrial group may have a Data Protection Officer, please refer to Annex A for details.

8. DATA SUBJECT RIGHTS

Data Subjects may exercise their rights as defined by applicable laws and regulations, among these:

- Right of access: right to obtain from the Controller a confirmation as to whether or not your personal information is being processed, and, if so, to demand to gain access to your personal data.
- Right to rectification: right to obtain from the Controller the rectification of your personal data that you may consider inaccurate and to have incomplete information being completed, including by means of providing a supplementary statement.

- Right to erasure: right to obtain from us the erasure of personal data without undue delay, where the request is made in accordance with the applicable laws and regulations.
- Right to object to data processing: right to object at any time to the processing of personal data based on the legitimate interest of the Controller.
- Right to limit the data processing: right to obtain from the Controller a limitation on the processing activities when the accuracy and the precision of personal data is disputed, and for the time necessary for the Controller to verify the accuracy of personal data.
- Right to data portability: right to receive the personal data you provided to the Controller in a structured, commonly used and machine-readable format. Data Subjects also have the right to transmit that data to another data controller without hindrance from the Controller, especially following these conditions: the processing is based on consent or on a contract and the processing is carried out by automated means.
- Right to make a complaint: without prejudice to any other administrative or judicial dispute, if you believe the data processing has been carried out illicitly or not compliant with applicable laws and regulations, Data Subjects have the right to raise a complaint with the Supervisory Authority of the Member State in which you reside or work habitually, or of the State where any breach has occurred.

Data Subjects can exercise the abovementioned rights by contacting us as follows:

- Sending an email or a letter to Controller's Data Protection Officer, when available (see Annex A to this Privacy Notice for details)
- Filling the online form you can find here: <https://privacy.cnhindustrial.com/en-us/footer/Pages/form.aspx>
- Writing an email to privacy-compliance@cnhind.com, if possible attaching the standard form that you can download from here: <http://www.cnhindustrial.com/en-us/footer/Pages/DSRDC.aspx>
- Sending a letter to the Controller at the address indicated in Annex A of this Privacy Notice, specifying "for the attention of Privacy Compliance", if possible attaching the standard form that you can download from here: <http://www.cnhindustrial.com/en-us/footer/Pages/DSRDC.aspx>

In case a Data Subject submits a request, we may need to obtain additional personal information from Data Subjects to verify their identity and contact them, if necessary. This information, together with other Data we already withhold, will then be processed to meet Data Subject's request, as required by applicable law. Where necessary, certain information may be transferred to other companies within or outside the CNH Industrial Group that act as data processors, in order to comply with the request. Data will be processed for the necessary amount of time to evaluate and handle the request, after which Data will be archived for a suitable time period allowing us to demonstrate that the request has been handled correctly and timely.

9. UPDATES TO THIS PRIVACY NOTICE

This Privacy Notice was updated in March 2019. We reserve the right to amend or update the Privacy Notice from time to time to reflect changing legal requirements or our processing activities.
